

FYP Proposal for Fall-2024

Hopefully, you are all fine.

For FYP proposal phase. Here are some important points-

- It is important to showcase your unique ideas and demonstrate your understanding of the project's objectives. This phase requires two students to submit their proposal.
- You will complete the required credit hours (I hope its 91 credit hours) before 7th semester or at the end of 6th semester.
- You should complete the SE course before 7th semester or at the end of 6th semester.

In order to complete the FYP proposal process, you have to submit your FYP proposal with supervisor consent. This time we are offering 10 marks for your proposal. Please note, marks will be deducted, if

- Any Proposal submitted after due date.
- Proposal statements are not clearly defined.

Please take your time to think critically and offer innovative solutions.

Supportive Documents

Proposal Form: This document is for you to fill with innovative ideas.

Solution Template: Familiarize yourself with the solution template. It provides a detail plan to address the problem statement (reference document).

Proposal Evaluation Form: Your proposal will be evaluated and marked on the given points.

Please submit two sets of Proposal and Evaluation Form to admin (Mr Naveed) with your supervisor consent within due date.

Thanks
